

SPONSORSHIP PACK

Introducing the range of sponsorship available for the new season

As you are probably aware, Cinderford now play their first team rugby in National league 1, so one of the top **40** sides in the country! We are looking forward to the challenges this will bring.

We support three other senior sides, and a thriving junior section with all groups represented from 7 to 17 years old plus two ladies sides.

Please have a look through this pack and give me a call if you wish to watch a game and have some lunch on a Saturday, alternatively, come along and watch the juniors on Sunday mornings. We shall be pleased to see you.
